Book your trip and walk in the footsteps of Pope Francis and the saints

Begin your adventure: Fall 2023 Italy

Travel on a life-changing **Dynamic Catholic Pilgrimage** to Rome, Assisi, and Florence and explore the Catholic faith like never before — all while earning college credit at the master's or bachelor's level through Saint Leo University's Theology Department.

An educational experience like no other

Saint Leo's 3-credit theology course, Christian History, begins in late August prior to the fall pilgrimage through Italy. Many of the course hours will then be completed on the trip as students walk in the footsteps of St. Peter, attend an audience with Pope Francis, and travel to the home town of St. Francis in Assisi. Students will visit the tombs of St. Peter and St. John Paul II, explore the Vatican Museums, celebrate Mass in St. Peter's Basilica, learn of the work of St. Catherine of Siena, and discover the beauty of Florence. Dynamic Catholic takes students to places in Italy and offers one-of-a-kind experiences.

Earn college credit

Following the pilgrimage, the class continues online until assignments are completed in mid-December. Three college credits can be applied to a Saint Leo bachelor's or master's degree for current students or transferred as electives to one's home campus.
