## Program Goal

To raise up, connect and equip graduates to receive, understand, and share the fullness of baptism in the Spirit and the charismatic gifts of the Holy Spirit to build up the Church and evangelize in the world.

## Benefits to Renewal & Church

- Cross-generational mentoring and charismatic ministry practicums to infuse new life into Renewal and Church.
- Program content will be used as foundation for development of national theological and pastoral resources and initiatives built with and for Renewal and Church leaders including:
  - Theological symposiums to engage catechetical and institutional leaders.
  - Seminary, religious, and clergy formation.

**Graduate Certificate in Pneumatology & Renewal Leadership** is accredited by St. Leo University and the 15 graduate credits can be transferred into Master's in Theology programs with prior approval.
